

# Overwolf

## Payment Process - Non Israeli Partners

# General

- ◆ TL;DR
  - ◆ Payment Terms: Net 60
  - ◆ Minimum Payment: \$200
  - ◆ Currency: USD
  - ◆ Payment Method: Payoneer
- ◆ Payments are processed on a Net 60 basis (e.g., revenue from January is paid in April).
- ◆ Minimum payment amount is \$200 net (based on the agreed revenue share). If the amount payable is less than \$200, Overwolf will roll it over to the subsequent payment period until the total amount payable reaches the \$200 threshold.
- ◆ Payments are processed via Payoneer, and can only be transferred in USD.

# Reporting

- ◆ On your partner's dashboard, you can find daily data of your app performance and revenue.
- ◆ The revenue numbers in the dashboard are **not final** – the actual payment amount will be sent by email after reconciling all campaigns.
- ◆ Video ad revenue is updated daily, while display ad revenue is updated monthly.
- ◆ For any reporting questions, please contact your developer relations manager.

# International Creators

- ◆ We will pay you according to the revenue report we send out.
- ◆ If you generate invoices via your accounting system, send them to [finance@overwolf.com](mailto:finance@overwolf.com), based on the monthly revenue email sent to you at the end of each month.  
Your invoice should include the following:
  - ◆ Company name
  - ◆ Company address
  - ◆ Payment amount
